Tuition Policies

- If tuition is not paid on the date it is due, you will receive an email reminding you to pay the following week. If tuition is still not received, you will receive a letter from the Steering Committee. If after three warnings, tuition has not been paid, the Jubilate member may not be able to participate in an upcoming performance, or be asked to leave the choir.

Financial Assistance

- We understand that some are facing financial hardships. If you feel you will have difficulty with the above tuition, scholarships are available. In order to be eligible for a scholarship, you must write a letter (not an email) to the choir manager and the Jubilate Steering Committee, explaining your situation and if you need a full or partial scholarship. Please mail the letter to: Maureen Burt/Choir Manager 41 The Knolls, Warwick, NY 10990.
- Additionally, if you need more time to pay the tuition (i.e. smaller payments over a longer period of time) please speak with the choir manager to work out a payment plan that better suits your needs.
- Those who are on scholarship, as with all others, are expected to be at every rehearsal, dress rehearsal, and mandatory performances. In addition you will be required to participate in fundraising. If you fail to meet these requirements, it may result in financial restitution.
- Financial aid is limited. It is up to the Jubilate Steering Committee, Directors, and Choir Manager to decide who receives a scholarship.
